DETAILED ACTION

EXAMINER'S AMENDMENT

1. The following is an examiner's statement of reason for allowance:

Claim 24 is allowable over the prior art of record because the teachings of the references taken as a whole do not show or render obvious the combination set forth, including: *a dispenser tab in said annular lower part, said dispenser tab extending diametrically into a clear opening of said lower annular part with said dispenser tab being integrally formed on an inner edge of said annular lower part in a hinged manner, via a film hinge material bridge extending over at least a portion of a width of said dispenser tab, for being pivotable outwardly in an axial direction relative to said annular lower part, said dispenser tab further comprising at least one rib standing vertically on said dispenser tab for reinforcing said dispenser tab and with a rear edge of said at least one rib, upon pivoting open in said annular lower part, forming an abutment at said inner edge of said annular lower part for limiting pivotal movement.*

2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

3. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.
